Echelle 1/25000

This figure is a topographic map of the Montdoumerc area, showing a network of roads, rivers, and geographical features. A green line highlights a route from the south, passing through Montdoumerc and heading north. A blue line highlights a route from the west, passing through Linon and Arbussac, and then turning north through Montdoumerc. A pink line highlights a route from the east, passing through Montdoumerc and heading north. A yellow box labeled 'A20-14' is located in the upper right quadrant of the map. The map includes numerous place names and elevation contours.
